How it works:

Why Trust Us ?

We have 20 years' relevant experience in outdoor learning, visual communication and event organisation plus a proven track record of helping community groups and schools create valuable experiences in their own neighbourhoods. We are dedicated to enhancing the time families spend outside uncovering the positive impacts of the natural world.

Why hold an Outdoor Play Event?

Our play events offer a myriad of benefits for communities!

• Promotes Social Interaction

Our sessions encourage intergenerational play with lots of fun interaction ideal for building community spirit.

• Encourages Physical Activity

Our active events promote physical activity and an overarching healthy lifestyle which has a well evidenced impact on an individual's mental health.

• Inspires Environmental Stewardship

Through story-led play we instil a sense of wonder for the natural world inspiring ownership and responsibility for local outdoor spaces.

• Supports Community Wealth Building

Our events are conveniently delivered in the heart of your community. We utilise local green spaces, removing the barriers of accessibility and transport costs. By keeping events local we encourage use of nearby amenities stimulating the regional economy.

Who's it for?

Event Feedback

"We cannot overestimate the benefits UnderSky events have brought to our local community. The cost of living crisis has really affected our families and so we were delighted that we could treat our local children to such a wonderful, educational and fun day in our local park."

Forehill, Holmston and Masonhill Community Council

"Dailly CC have been working with UnderSky for a couple of years now, and we have found them very enthusiastic and imaginative, and really put a lot of effort into making the 'Activity Days' meaningful and memorable for the children, and of course also for the parents."

Dailly Community Council

"The sessions were fantastic. Kathryn and Katie were amazing and are obviously passionate about what they do."

Forehill EYC staff

"UnderSky made the whole process very easy for us, providing posters and photos for Facebook, organising all the bookings and delivering the events always with so much enthusiasm and knowledge."

Forehill, Holmston and Masonhill Community Council

"UnderSky's ability to make every adventure exciting for children is outstanding. What sets them apart is their patience in listening to all the little questions and inquisitiveness of the young explorers."

Glenapp Castle

"We loved seeing all the smiles on children and parents as they play together outside: the perfect way to help families enjoy where they live."
